# Latin American Heart Rhythm Society 7<sup>th</sup> Scientific Session

W e l c o m e

On behalf of the Latin American Heart Rhythm Society (LAHRS), the Colombian College of Cardiovascular Electrophysiology and Colombian Society of Cardiology and Cardiovascular Surgery we would like to invite you to the 7th Scientific Session that will be held on November 3,4,5 2024, at Cartagena, Colombia.

We will have Plenary Sessions concerning analysis, follow-up, and clinical implications of the latest and most important clinical trials. Additionally, live cases will be transmitted to demonstrate the optimal use of new technology and the latest approaches for interventional management of different arrhythmias. It is our aim to allow for interaction with the audience.

### About The Project

LAHRS has joined Colombian College of Cardiovascular Electrophysiology and Colombian Society of Cardiology and Cardiovascular Surgery to organize the meeting and prepare a very comprehensive academic program of many relevant topics such as: AF detection and Stroke Prevention, Cardiovascular Risk Factors for AF, New Concepts in Myofiber Architecture Relative to Catheter. Ablation of AF, New Approaches and Technologies to Improve the Results of AF Ablation, Risk Stratification for Sudden Cardiac Death, New Approaches and Technologies for Catheter Ablation of Ventricular Arrhythmias, Cardiovascular Imaging in EP, Pediatric EP, Transvenous Lead Extraction Techniques, and Conduction System Pacing, among others.

## About The Project

This academic program is still under development together with worldwide recognized international experts in every topic including members of HRS, EHRA, and APHRS, as well as the most important LATAM EP societies including SOMEEC, SADEC, SOBRAC, the Colombian College of EP and Colombian Society of Cardiology and Cardiovascular Surgery. Side by side with our sessions we will have a very nice commercial exhibition at the excellent facilities that will certainly offer a great experience to all our attendees.

We would be glad to have you as a participant and sponsor, attached to this letter are the collaboration packages and advertisement opportunities. This year we've selected the team of Viajes el Corte Inglés to manage everything regarding the sponsorships, travel arrangements and accommodations.

If you have any questions about this or anything regarding this 7th Scientific Session, please send an email to [grupos3@viajeseci.com.co](mailto:grupos3@viajeseci.com.co)
